# INTRODUCTION: SCORING FORMS

## CONTENTS AND ORGANIZATION

General Scoring Forms are provided at the beginning of this section and are followed by the Individual Offense Reference Sheets. The General Scoring Forms are categorized according to the twelve types of offender scoring rules: Burglary 1; Residential Burglary and Burglary 2; Escape - Scoring Rule 1; Escape - Scoring Rule 2; Felony Traffic; Nonviolent; Nonviolent Sex; Serious Violent; Serious Violent Sex (Rape 1); Violent; Drug; and Violent Sex. Table 5, Offense Scoring Categories (page III-9), displays the crimes in each of these categories. The offenses are also listed on the top of each scoring form. The Individual Offense Reference Sheets are arranged alphabetically. The individual sheets for controlled substances, imitation controlled substances and legend drug crimes are grouped together. Indexes are provided for each group of forms. Please note that the General Scoring Forms do not present sentencing option eligibility (e.g., work release, work ethic camp). Please refer to Individual Offense Reference Sheets for sentencing options.

The 1990 Legislature created a new finding for crimes committed with sexual motivation effective for crimes committed on or after July 1, 1990. The definition of sex offenses was also amended so that crimes with a sexual motivation finding are defined and scored as sex offenses. On the reverse side of most General Scoring Forms is a corresponding version for offenses in that category with a sexual motivation finding.

## 2001 LEGISLATIVE OVERVIEW

The 2001 Legislature enacted a small number of amendments to the Sentencing Reform Act (SRA) and related statutes. Included among the changes are the following:

### **Sex Offenses Sentencing Change (3ESSB 6151)**

During the 2001 Second Special Session, the Legislature enacted 3ESSB 6151 – The Management of Sex Offenders in the Civil Commitment and Criminal Justice Systems. Essentially, any offender, who is not a persistent offender, who is sentenced for any one of the offenses enumerated in RCW 9.94A.712(1)(a)(i) or (ii), or an attempt to commit any of those offenses, or is convicted of any sex offense, except failure to register, and has a prior conviction for a “two-strike” offense under RCW 9.94A.030(32)(b), is to receive an indeterminate sentence. The only exception is for offenders seventeen years old or younger at the time of the offense who are sentenced for rape of a child in the first degree, rape of a child in the second degree or child molestation in the first degree.

The minimum term of the sentence is to be set in the standard range, according to the seriousness level of the offense and the offender score. The minimum term may also constitute an exceptional sentence as provided by RCW 9.94A.535. The maximum term is the statutory maximum sentence for the offense. Offenders sentenced to an indeterminate sentence are eligible for earned release pursuant to RCW

9.94A.728, have the opportunity for sex offender treatment while incarcerated and are eligible for the Special Sex Offender Sentencing Alternative as provided in RCW 9.94A.670. Additionally, all sentences under this provision are to be served in prison, regardless of the length of the sentence.

Offenders sentenced under the indeterminate scheme fall under the purview of the Indeterminate Sentence Review Board through the maximum term of the sentence. Those released from prison will be supervised by the Department of Corrections and will remain on community custody through the maximum term of the sentence.

The bill also creates the offense of Sexually Violent Predator Escape, ranking it at Seriousness Level X on the adult felony sentencing grid and establishing a mandatory minimum sentence of 60 months.

Additionally, the bill expands the definitions of sexual misconduct of a minor in the first and second degree, reclassifies several offenses as Class A felonies and classifies attempts to commit any of a list of enumerated offenses as Class A felonies.

### **Changes to Specific Offenses**

The 2001 Regular Session of the Legislature enacted various laws affecting specific felonies sentenced under the Sentencing Reform Act. These changes created new felonies and changed the definitions of some offenses. These changes, including effective dates, are summarized in Table 4 in Section III of this manual.

**I. OFFENDER SCORING (RCW 9.94A.525(7))**

In the case of multiple prior convictions for offenses committed before July 1, 1986, for purposes of computing the offender score, count all adult convictions served concurrently as one offense and all juvenile convictions entered on the same date as one offense (RCW 9.94A.525).

**ADULT HISTORY:**

Enter number of felony convictions ..... \_\_\_\_\_ x 1 = \_\_\_\_\_

**JUVENILE HISTORY:**

Enter number of serious violent and violent felony dispositions ..... \_\_\_\_\_ x 1 = \_\_\_\_\_

Enter number of nonviolent felony dispositions ..... \_\_\_\_\_ x ½ = \_\_\_\_\_

**OTHER CURRENT OFFENSES:** (Other current offenses which do not encompass the same conduct count in offender score)

Enter number of other felony convictions ..... \_\_\_\_\_ x 1 = \_\_\_\_\_

**STATUS:** Was the offender on community placement on the date the current offense was committed? (if yes), + 1 = \_\_\_\_\_

Total the last column to get the **Offender Score**  
 (Round down to the nearest whole number)

## SENTENCE RANGES FOR ANTICIPATORY DRUG OFFENSES

The appropriate sentence ranges for anticipatory offenses (attempts, solicitations, and conspiracies) involving violations of the Uniform Controlled Substances Act (VUCSA) have been clarified through a series of court decisions and legislative actions. Table 6 presents the current status of statute and case law on appropriate sentence ranges for anticipatory violations of the Uniform Controlled Substances Act.

**Table 6. Sentence Ranges for Anticipatory Drug Offenses**

	SENTENCE RANGE	STATUTE
<b>Attempt Delivery</b>	Unranked (0 to 12)	RCW 69.50.407
<b>Possession</b>	Unranked (0 to 12)	RCW 69.50.407
<b>Solicitation* Delivery</b>	75% of Standard Range	RCW 9A.28.030
